## NOTES AND ORDERS

Counsel for all of the pending and incoming consumer class action cases are directed to propose a plan for consolidation into a single action. The motions to appoint interim class counsel in the consumer cases are terminated without prejudice pending further order, and defendants do not need to respond to any of the consumer class complaints until the Court directs.

All parties are directed to file by November 6, 2020, a revised and unified scheduling order. The scheduling order should also contain the parties' proposed page limits for motion briefs.

Pending further order, the parties should continue to file each docket entry in every case. This will likely change after consolidation is resolved for the consumer cases.

A further status conference is set for December 3, 2020, at 10:00 a.m.
